

Take on a DofE Challenge

Transform your life – and help transform the lives of young people across the UK

The DofE Challenge is what you make it. Skydive or sew, bake or bike – as long as it's a challenge to you it counts.

Push out of your comfort zone and raise funds so more young people can benefit from The Duke of Edinburgh's Award.

It's **free to register**, with a £60 fundraising target to earn your DofE Challenge pin and certificate. Take it on yourself or get a team together: the shared experience and sense of achievement will last with you forever.

Find out more and register your challenge today at DofEChallenge.org

Join the DofE Adventure

15 and 16 September 2018

The DofE Adventure will be an unforgettable weekend hiking and camping in the Cotswolds.

Open to everyone aged 18+, join hundreds of like-minded people for a challenging hike. Then relax and enjoy the overnight Base Camp, with live music, hot showers and tents provided.

Go it alone or get a team together for a fabulous shared experience. It'll give you a taste of a DofE expedition – without having to carry your tent!

The money you raise will enable more young people to achieve their full potential through The Duke of Edinburgh's Award.

"Amazing, exhilarating, memorable"

Katie, DofE Adventurer 2017
